1997

Congo Reform Network, anciennement appelé Congo Reform Association, a été fondé en 1904 en Angleterre par le fameux journaliste anglais Edmund D. Morel pour sensibiliser le peuple anglais et américain sur les méfaits de la politique de déprédation du Roi Léopold II, Souverain du Congo. Aujourd'hui, des années après l'indépendance du Congo, la politique léopoldienne continue et nous luttons contre la mauvaise gouvernance .

2000

The objectives of the Regional Council of Dakar for the 5 years to come are:

- to give a progress report on the existing databases (environment, health, education, population, etc), to develop them and create some others if necessary. These data bases must have a support allowing the processing by new communication and information technologies.

- to form and provide a basic trade in the field of new communication and information technologies (ex. creation and management of cyber coffees). Principal recipients: young people left the school system without qualification or diploma, handicapped people, women and illiterate girls wishing to work or evolve in the new communication and information technologies field. out by young researchers.

United States

1 978 369 9362

1 978 287 0434

David\_Allen\_AB63@post.harvard.edu

www.worldcollaboration.org (live by yearend)

1999

The Collaboration is a new initiative with two purposes. It facilitates more communications policy research that crosses national borders. Then with research that can address regional and global questions, it brings policy makers together with the researchers. It works principally by convening small workshops where individuals from around the globe can work together on shared questions.

### **World Links**

Connecticut Avenue, NW 1211 Suite 406 20036 Washington DC United States

United States

202-462-9234

202-462-9736

amir@world-links.org

www.world-links.org

1997

The mission of World Links is to help youth in developing countries develop the knowledge and skills they need to participate successfully in the global knowledge-based economy. World Links is a global learning network linking thousands of youth and teachers around the world via the Internet.

### **World Organization of Talented Children (WOTC)**

Puchkin 24 2012 Chisinau Moldova

Moldova  
(373) + 22 66 7  
wotcmoldova@yahoo.com  
www.littleprincemagazine.freesevers.com

1995

WOTC has been made a revolution in the media for children and youth, being the founder of the first Press Agency truly free and independent from the former Soviet Union. Today the volunteers from Federation of UNESCO Clubs and World Organization of Talented Children develop for free Internet lessons for orphans. WOTC and Moldavian Federation of UNESCO Clubs is one of the greatest promoters of Information Society on large populations.

[maike.sippel@yois.de](mailto:maike.sippel@yois.de) [www.yois.de](http://www.yois.de)

2000

YOIS is a youth organisation independent of party politics. We are lobbying for the rights and interests of today's youth and future generations. Our focus is on young people for they are the most affected by the decisions taken today and mostly don't have a say or a lobby in today's decisionmaking. At the same time they will be the decisionmakers of tomorrow and therefore need to develop capacity to face the challenges of our world.

### **Youthful Initiatives for Economic, Environmental, Educational and Large-scale Development (YIELD)**

Adetokumbo Ademola Street, 42 Victoria Island, c/o Jeta Travels, Po.Obox 4692,Marina, Lagos Nigeria
